Superintendent Dewaine B. Craig

TO THE CLASS OF 1993

Reflecting upon the class of 1993, I've realized how many of you I've gotten to know since I came to S.A.D. #44 in 1983. Because I have a son in this graduating class, I know many of you through contacts both in and out of the school setting.

I must say that I believe this class will be remembered as a class that played hard and enjoyed a good time. On the academic side, many of you have worked hard to achieve the academic accomplishments which you have obtained. Telstar has enabled you to learn many lessons which did not come from between the pages of a textbook. This class, as a whole, is one which learns best by doing. From Outward Bound trips, through sports, to school wide organizations such as FACT and Peer Helpers, and on to Winter Carnival, you are a class of doers.

Your years in S.A.D. #44 and at Telstar High School have given you the opportunity to obtain a solid education. The true lessons of this educational process will be in how you apply your knowledge in the years to come. I believe you have learned many valuable life skills.

Your education will not stop on Friday, June 4, 1993. It will always be ongoing, life-long. Be a willing learner, accept new ideas and challenges, dare to take a chance, learn new lessons. An individual can make a difference, a group of individuals working together can make a change.

Don't blame your life on luck, make it happen!

From: Dewaine B. Craig
S.A.D. #44 Superintendent of Schools
1992-1993

TO THE MEMBERS OF THE CLASS OF 1993

You have just completed four years of preparation towards your life's goals. It is my hope that you do not look at graduation as the final achievement, but rather the beginning of many to come.

As always, some of the graduating class have had to work harder than others to achieve this goal. Let me leave you with this thought:

"That which we acquire with the most difficulty we retain longest, as those who have earned a fortune are usually more careful of it than those who have inherited one."

As you set to achieve future goals, may you also put your best effort into them so that you will be proud and want to preserve them as you would a fortune. My best wishes to you.

Theodore R. Davis, Principal
Telstar Regional High School

Carroll Higgins Asst. Principal
Theodore R. Davis Principal

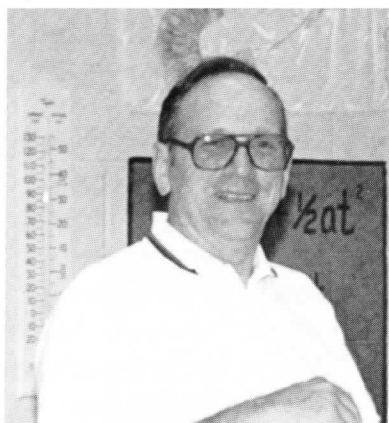

Each year around this time I try to find some words of inspiration or wisdom to share with the graduating seniors. The most satisfying result of this annual effort, however, is not found tucked between the covers of the yearbooks involved. For me, it is the discovery that those same seniors I am hoping to inspire have, in fact, become a source of inspiration.

The class of "93" is no exception to this tradition.

You, as a group, and as individuals have come a long way. You have learned to pull together as a team to meet desired goals as in the recent winter carnival events, where your pride and determination helped you emerge victorious from the spirited competition of the juniors and freshmen. You carved some "extremely" new ground with your ski video entry in the talent show. We are sharing daily in the success of your individual efforts as we hear of more and more college acceptances and learn of your long range future plans and aspirations.

As I close my remarks I would like to share the observations of an unknown philosopher: "Each man has a choice in life: he may approach it as a creator or critic, a lover or a hater, a giver or a taker." As the days tumble on toward graduation, I believe the Class of "93" will rise to the challenge to put hate, and the symbols of hate, behind; to invest your energy and efforts in creating bold new solutions; and, to give to future generations a better world than you have inherited.

Carroll Higgins Asst. Principal

Tim Kersey

Mr. Kersey: We would like to thank you for all the years that you gave to help educate us. You not only taught us Chemistry, but you taught us that life is to enjoy and that everything you do is important to that life. In coaching Track, you gave us support and helped us to strive to reach higher goals. We did. Your influence in our lives will stay with us forever . . . THANK YOU!

IT'S BEEN SUPAH!

Dewaine B. Craig

SUPERINTENDENT DEWAINE B. CRAIG
1983-1993

"If you always keep the kids in mind first, you'll be OK."

This quote came from Dewaine Craig when a statement was made about his attitude to the kids in our district. Through the ten years that he was superintendent of S.A.D. #44, this has proven to be true. He saw the importance of continuing the programs already established, making changes in some and was instrumental in administering new and successful programs.

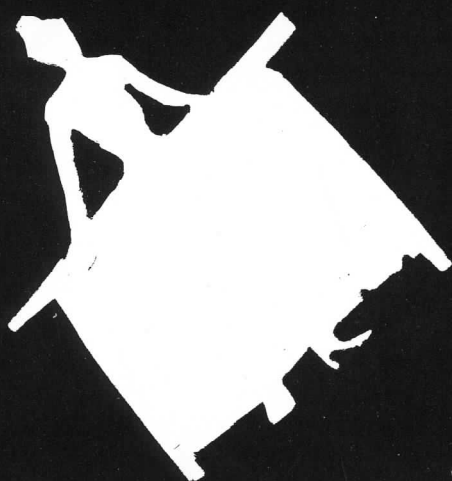

Supt. Craig has strived to offer the best possible education for our students. Overall, he promoted long-term planning goals for education, was a supporter of the Strategic Planning Committee, curriculum and staff development, more guidance staff for the district, resulting in a better student/teacher ratio for the district. He was instrumental in changing Telstar Junior High School to Telstar Middle School. In the elementary level, the Reading Recovery program was

established, two new schools were designed and built (one still in the building stages); in the middle and high school levels, he became involved in the OSLC and Outward Bound program, he reactivated CCAT (Community Chemical Awareness Team), he was a strong supporter of STRETCH, he was a member of the Telstar Athletic Boosters. In the Adult Education program in S.A.D. #44, he supported the strong program we have and the implementation of the ITV system.

Dewaine Craig is a community-oriented person. He was a nominee for the Jefferson Award offered to an outstanding community member. He was awarded the Bethel Area Health Center Citizenship Award. Through his years as supt., he was involved in the Boy Scout program, has been a member of the Bethel Rotary Club, the Bethel Recreation Committee, and the Bethel Methodist Church.

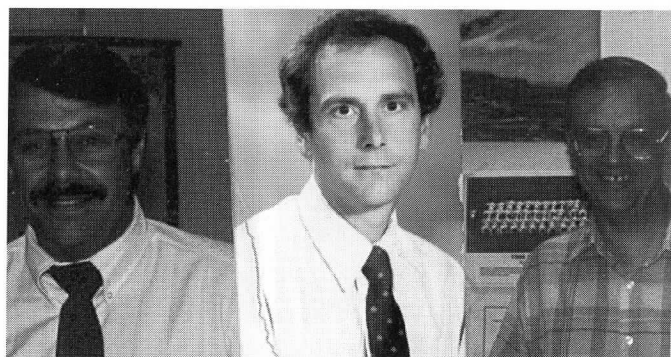

What has been mentioned above is only a partial list of what Dewaine Craig has done for this district. It is quite evident that he was a supt. who set educational goals for the students in the district. We wish him well in his future endeavors.

FIELD HOCKEY IMAGES . . .

The 1992 Field Hockey season was filled with opportunities for all. It was a year to learn, share good times, grow to improvise individual and team plays and to have fun along the way.

The team did it all together. It finished the season with a 7-4-3 record in the semifinal round of the state playoff games.

Under the leadership of Dani Bernier, 4 yr. goalie, and Suzann Richardson, Halfback, the team improved throughout the season. The team relinquished the Mountain Valley Conference title that it had held for the last 2 seasons in the final game of the regular season to Levett. The Rebels were the only team to defeat the Hornets previously during the season.

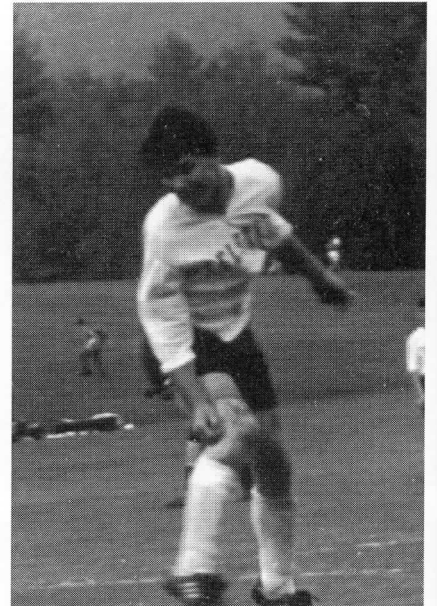

GREAT JOB REBELS!!!

HIGH SCHOOL GIRL'S BASKETBALL

The 92-93 girls basketball team experience frustrating winter winding up winless. The team did however improve. The junior varsity team coached by Raymond Seames competed in some very close contests. The varsity team was coached by Barbara Dunham. Chelby Calavero and Danielle Bernier were this year's captains. They led the team in scoring and rebounding. They were also the only two Seniors leaving a more experienced team behind for next season.

Back Row, Left to Right: Sarah Coolidge, Jill Olson, Jodi Barnes, Amy Patten, Cora Gallagher, K. C. Emerson, Coach Seames. Middle Row Left to Right: Katy Mullen, Kara Bartlett, Becky Chandler. Front Row, Left to Right: Augusta Yates, M. J. Learned.

Boys Varsity and J.V. Basketball
1992-1993

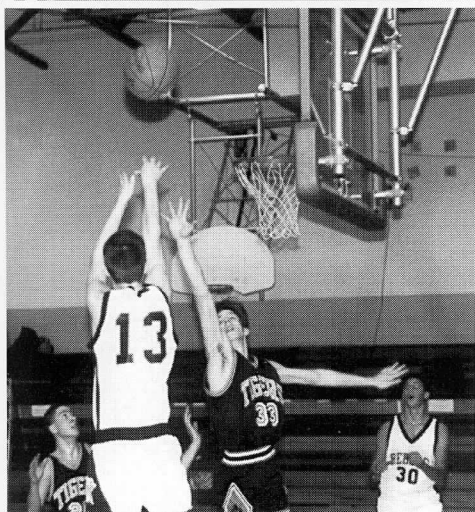

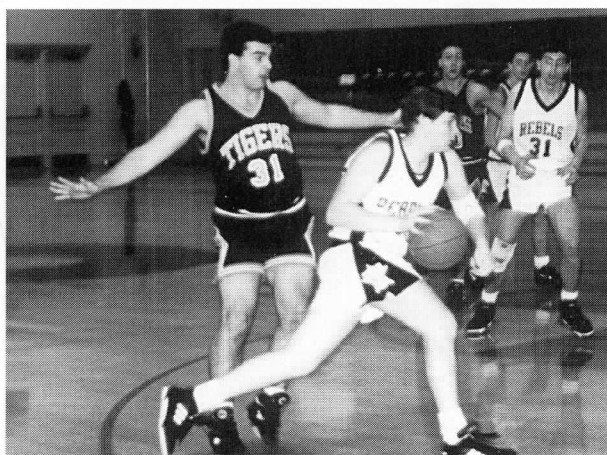

Both the Varsity and J.V. finished their seasons winless, but, with the loss of only two seniors, David Barnes and Devin Benson the future looks promising. The Varsity was led in scoring and rebounding by sophomore, Todd Wing. The Varsity Captains were Senior, David Barnes and Junior, Chris Howe. The J.V. were led in scoring by Freshman Toji Perlman.

Coaches:
Varsity — Mark Thurlow
Junior Varsity — Shawn Windle

The Mission: Week Three

Personnel in Region:

Nearly 21,000 American and 2,300 allied troops by the weekend. Allies contributing forces included Canada, France, Germany, Saudi Arabia and Botswana.

Incidents:

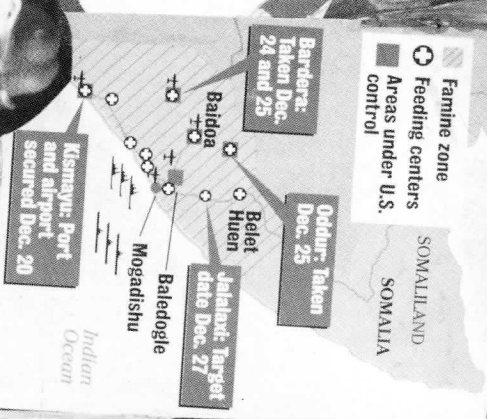

A mine killed the first American, a civilian employee of the U.S. Army, and injured three others. Several Somali gunmen wounded in scuffles with allied troops.

Agenda:

Belet Huen the next target for the allies, completing the takeover of all eight designated "humanitarian relief sectors" to secure food distribution. The Pentagon continues to resist U.N. pleas to disarm the local gunmen.

He called himself "the hick from French Lick," but he was no Indiana bumpkin in the big cities where the NBA holds court. Relentless and resourceful, with an unerring shot, he led the Boston Celtics to three championships and three

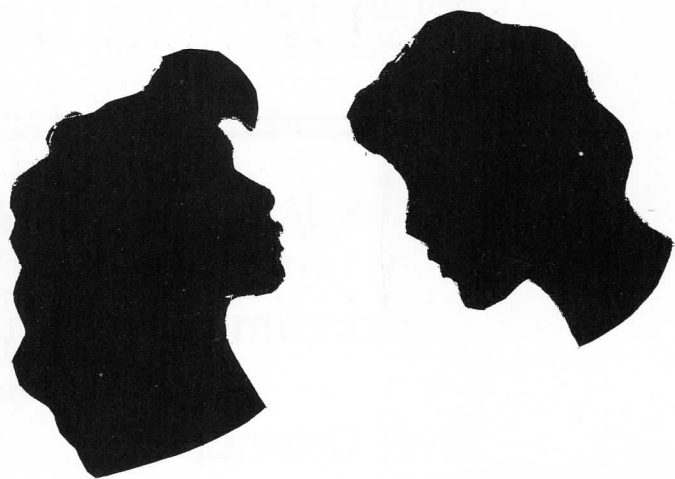

times was named the league's Most Valuable Player. Hobbled by a back injury, he had one last fling at glory last summer as a member of the Dream Team in Barcelona—and retired from basketball with an Olympic gold medal.

**THANK
YOU!**

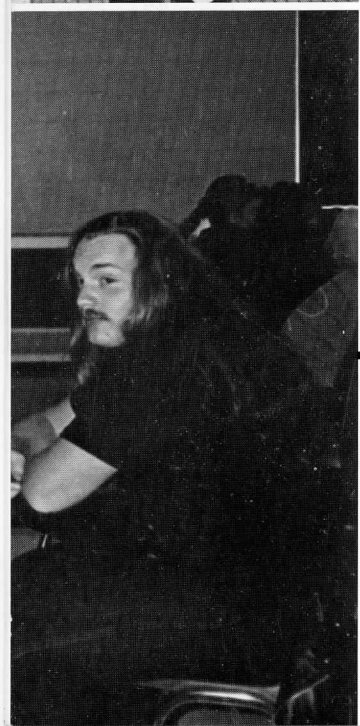

Daughter as you step out into the world on your own, don't forget the ones who love you at home. We wish love, success, and happiness in everything you do. And for every kind word you give you should receive two. Never be afraid to give your smile away, for you will brighten someone's day. And for that dream you want to remember . . . determination will go a long way. Daughter, all we are saying is . . . We Love You, Reach For The Stars . . . Mom, Robert, and Michel
